

RED RAZZ CONDIMENTS

Frozen red raspberries add a bright sweet tart flavor to many favorite condiments. You can deliver versatility and the sweet tart flavors that kids love. Use these flavors to customize your toppings bar. End menu boredom with these vibrant flavors.

“There are so many ways to use frozen red raspberries- especially in condiments! I’ve found that raspberry honey mustard is so popular with kids. In addition, we’ve created a raspberry BBQ sauce and ranch dressing.”

Chef Rebecca Polson

“A raspberry vinaigrette is a great dressing for a spinach salad. You can even add a protein and toss some frozen raspberries on top.”
